## 2005 CABERNET SAUVIGNON

Established 1976—Columbia Valley—Washington State

### Winemaking & Vintage...

2005 was an ideal growing season. Spring conditions were favorable leading to a beautiful fruit set. Summer temperatures were a little warmer than normal but rainfall was above average, resulting in slow ripening. Very warm September temperatures led to full ripe and robust flavors. After fermentation and pressing—the 2005 Cabernet Sauvignon was aged in small oak barrels for 20 months. The wine was bottled gently unfiltered.

### Tasting Notes From Our Winemaker...

Leather and dusty oak on the nose.  
Chokecherry and berry through the mid palate.  
Lingering cassis on the finish.

- Dave Harvey, Winemaker

*Fabulous by itself, with hearty red meats such as lamb, or as a complement to a luscious chocolate dessert.*

# 2005 CABERNET SAUVIGNON

Established 1976—Columbia Valley—Washington State

## A Family Tradition Continues...

- Our family is a pioneer in the Washington Wine Industry. We planted our first vines in 1972, becoming the first to plant and produce the Merlot grape in Washington State; and in 1976, we became the third licensed winery.
- Family traditions continue today, as we remain one of the few wineries in Washington State still family owned and now operated by second and third generations.
- Presently, owner Brent Preston oversees operations; his wife Michele works in administration and oversees the wine club, while, his daughter Chenyn Preston-Johnson manages the tasting room, gift shop, and special events.
- Our winery has a large tasting room and extensive gift shop featuring many specialty items. We carry an array of library wines and ports exclusive to our tasting room. Additionally, we offer a self-guided tour with viewing windows of our cellar and bottling line and a variety of displays including our own corkscrew collection.
- The large deck adjacent to the tasting room provides a panorama of our 157 acres of vinifera vineyard and is the perfect place to relax with a glass of our Estate Grown wines as you enjoy the breathtaking views of the Columbia Valley and Rattlesnake Mountain.
- Winery grounds (available for rental) contain manicured parks that are great for picnicking and include an amphitheater, a gorgeous waterfall and a gazebo perfect for events such as outdoor weddings and receptions.
- For smaller gatherings, such as private parties, dinners, corporate events or private tastings, the tasting room and attached outdoor deck are another alternative and hold approximately 100 guests.
- Our wines are all Estate Grown and include the following varieties: Chardonnay, Sauvignon Blanc, Gamay Noir, White Riesling, Cabernet Sauvignon, Merlot, Syrah and Cabernet Franc.
